

### **Proposed amendment to the Unity Church of Christianity By-Laws**

At the upcoming annual business meeting 2/4/24 the following amendments will be discussed and voted on.

- 1) Page 3— A member will no longer automatically be considered inactive if they move over 100 miles from the ministry ( Zoom participation & tithes)
- 2) Page 12— The Treasurer will liaison with the Financial Coordinator (Willie) and the Business Manager (Stephen) as it pertains to the funds of the ministry (this better clarifies this role)

The By-Laws were last revised February 15, 2015.
